

**Track Meet Saturday.**

The Harrisonville High School track team which won the state meet at Columbia last week, will come to Lexington Saturday with the avowed purpose of showing up the Wentworth track team which won the conference championship last Friday at Boonville. This, of course, is a worthy ambition on the part of the Harrisonville boys, and they may realize it—but the Wentworth track team is also ambitious, and those who watch the proceedings will see something worth while. The meet will commence about 2:15, and the admission will be free.

**AN APPEAL FROM  
SECRETARY GLASS**

Washington, May 4.—The Victory Liberty Loan campaign is two-thirds over but subscriptions have been reported for little more than one-third of the Loan.

Is it conceivable that the American people who with heart and soul waged the fight for freedom will permit this Loan of Victory and Thanksgiving to fail?

Our sons gave of their health, of their strength and of their lives that freedom might not perish. There are one and a half million American boys in France and Germany. Now that the war is ended it would be as reasonable for them to dishonor the nation by deserting the flag as for the nation to dishonor itself by deserting them. Is it a large thing that we are now asked to lend our money to pay the cost of victory? Is American money less willing than American manhood?

Let every one of the millions who have bought Liberty Bonds buy Victory Notes and success is sure.

**CARTER GLASS,**

Secretary of the Treasury.

It is presumed that every man, woman and child in Lexington physically able to be about, saw the tank yesterday and its marvelous performance in Goose Pond Park. After its demonstration one could easily understand why the Huns took to their heels when they saw one coming in their direction, and then this one was only a baby compared to some of the others.
